

**Is there something you would like to share with the community?**

Since WAVE - Channel 21 is a public access television station, it is YOUR station and your chance to air programming of your choice for your community.

Think of the possibilities for you and your business!

- Your restaurant could host a cooking show or wine tasting.
- Your non-profit organization could produce programming about their mission and the services it provides to the community.
- Own an antique store? Put together a short video about buying antiques.
- Your distribution center could produce (or provide) a forklift safety video.
- Your hardware store could offer home improvement courses.
- Your child's school could video their science fair, concert or play.
- Do you have a collection or special interest? Write, film and produce a video about it and let your family, friends and neighbors see you on TV.

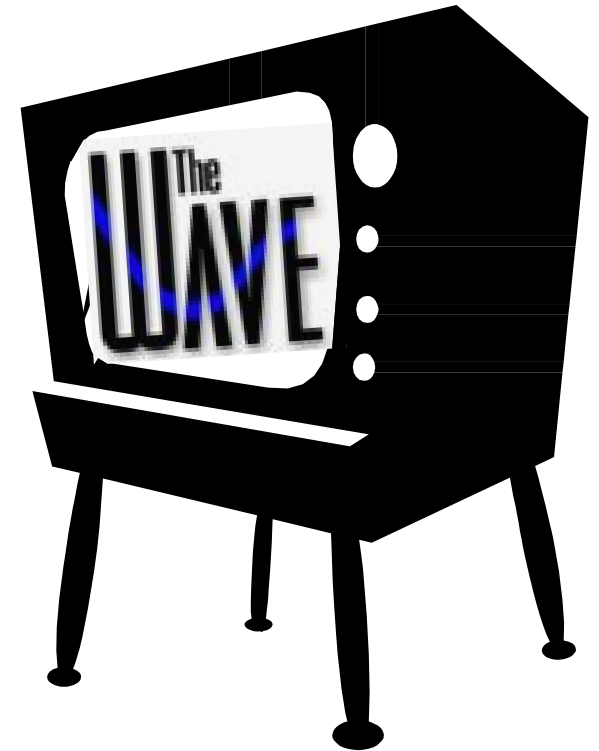

Please contact us if you're interested in helping us showcase our community.

The possibilities are endless and the WAVE is your station.

# JOIN THE WAVE

## Mission Statement:

WAVE provides the opportunity for our community to speak and share freely through public access media.

The WAVE is a non-profit corporation whose purpose is to empower individuals, organizations, and groups within Woodland to produce and/or present their own non-commercial cable programs. Local programming reflecting the full and diverse range of Woodland residents, their perspectives, concerns and interests is encouraged. The WAVE coordinates training, the production, playback, and promotional activities to achieve your efforts.

Residents of Woodland and City employees are encouraged to join the WAVE. By becoming a member, you not only have all of the benefits of membership, but also enable the WAVE to help carry out their mission.

Membership in the WAVE is required to use the equipment and production studio. You need not be a member to submit video programs.

## Community Bulletin Board

During non-programming hours., the WAVE maintains a Community Bulletin Board that includes: slides of local non-commercial events, classes and programs that the community may benefit from.

Contact the WAVE to post a Community Bulletin Board. Event.

## Benefits of Membership

- Opportunity to learn video production
- Access to training workshops
- Free access to video and editing equipment
- Free access to studio
- Free airtime for your production
- Free placement of your non-commercial announcement on the Community Bulletin Board
